

# Almond Tree Wedding Boutique

## Sizing Chart for Almond Tree Originals and Almond Tree Couture wedding gowns.

The sizing for wedding gowns **may not be the same** as what you are used to for your everyday clothes. And remember every wedding gowns receives some final adjustments by a local seamstress before you walk down the aisle and it is ALWAYS easier to take a little fabric away than it is to add.

**This chart has been created using information from hundreds of happy brides and wedding gowns, so trust the process!**

**Instructions:** Print out this chart and circle each of your accurate measurements as they are today — remembering to round up. Then find the circled measurement that is **furthest to the right** on the sizing grid and follow that column down to locate your dress size in the peach-shaded row.

<b>Bust</b>	33	34	35	36	37	38.5	40	42	44	46	48	50	52
<b>Waist</b>	24	25	26	27	28	29.5	31	33	35	37	39	41	43
